Customer Reviews

This is not much of a joke book. You have to know all the Shopkin characters to get the jokes being told. My 7 yr old twins looked at it for a few hours and now it's sitting in the toy box, forgotten.

It's hilarious! Perfect for little kids.

My daughter absolutely loves shopkins and thinks this book is so funny when we read it. Definitely recommended for any shopkin lover!

Sent to my niece and she loved the books! This one was her favorite. My daughter is getting the

same ones for her bday. Packaging was small and compact and easy. I would recommend for any shopkins lover.

The jokes are so lame. My 8 year old is a huge shopkins fan and he has all the shopkins books but with this one he was so disappointed. I do not recommend this booklet. It took 3 minutes to read it and a whole day to get over the disappointment.

My daughters (10 & 5) love jokes and love anything shopkins so this book was a must! The jokes were mostly funny some not so much. For the price it was worth it!

Purchased as a gift for my daughters friend. My daughter looked through and loved it.

grandchild loved this book...
