Customer Reviews

My kids love the Just Joking Series and we keep adding the newer additions to our collection. I like these books because the jokes keep the kids laughing but they are all very appropriate. If you are ready for some real knee smackers from your kiddo...this book is for you.

reluctant reader couldn't put it down

Same fine quality as previous editions. I bought it to share with my grandchildren. My wife and I enjoyed it during during the time we passed out Halloween treats.

Keeps them laughing. A little old for my 5-year old, but she should have it for years to come. I think suited for 7-8 year old crowd.

Hugh hit with an 8 year old boy!
