The Life Of St. Patrick: Enlightener Of The Irish
Long ago, deep in the mists of time, one man burning with love for Christ changed the course of Irish history. The story of Saint Patrick of Ireland, as told and illustrated by Zachary Lynch, veers from the usual legends of shamrocks and leprechauns, and recounts the true story of Saint Patrick from his kidnapping and enslavement as a young man, to his death as a revered bishop of the Irish people. Taken mainly from his book of Confessions, these tales draw out the deeply Christian aspects of Saint Patrick’s life. The colorful Celtic illuminations with iconic elements will captivate readers of all ages.
