Customer Reviews

Ticks all my boxes:- Well structured- Clear instructions- Astounding number of projects for a book in this price range- Applicable to both tissue paper and crepe paper- Materials used are easy to source- Suitable for different skill levels. I highly recommend and would totally buy it again as a gift.

i am sorry to say this, but the book did not meet my expectations. it is lovely, but much too difficult for me. perhaps someone with more talent and more expertise could follow it.

Not what I expected.....not simple at all....I need a beginner instruction book...my mistake!

Easy to read and follow even if you're as new as I am to making paper flowers. Highly recommend as a great jumping off point.
