Customer Reviews

When I first bought this guide, I never imagined that it would be this good. I literally have been able to watch just about every movie.

Please make more books like this. Watched all my favorite shows. It even takes the commercials out. Love it.

I have recommended this to all of my friends. I have become a true user of this software. Never give up.

Cool info and easy to follow. Thanks. I am not a techie so this is great for me. More to follow I hope.

I was up and running and able to watch all my favorite movies and tv shows.

It's free and very good entertainment options

Great read for kodi beginner's. Would recommend too anyone new to the kodi xbmc platform to read this short read.

This is a book about how to install kodi...I already have kodi installed...I was looking to learn more about it.
