# Where Willy Went...: The Big Story Of A Little Sperm!

## Synopsis

Another timeless classic from the creator of *Father Christmas Needs A Wee!* and *The Queen's Knickers*. Willy is a little sperm who lives inside Mr Browne. The trouble is, Willy is one of 300 million sperm and they all want the same prize - an egg. It's lucky Willy is such a good swimmer ...Hilariously funny, warm, endearing and totally non-threatening - this small masterpiece presents the facts of life to young children in a unique but totally accessible way. A Godsend for any parent faced with awkward questions.

## Book Information

Publisher: Red Fox; New Ed edition (February 1, 2006)

Language: English

ISBN-10: 0099456486

ISBN-13: 978-0099456483

Product Dimensions: 7.6 x 10.4 x 0.2 inches

Shipping Weight: 5.6 ounces

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (16 customer reviews)

Best Sellers Rank: #521,824 in Books (See Top 100 in Books) #49 in [Books > Children's Books > Growing Up & Facts of Life > Health > Sexuality](#) #820 in [Books > Children's Books > Growing Up & Facts of Life > Fiction](#)

Age Range: 4 and up

Grade Level: Preschool and up

## Customer Reviews

Under normal circumstances I am an extraordinarily poised and respectable person. I do not chew with my mouth open. I do not pick my nose in public. And if someone says "bless you" when I sneeze I offer the obligatory "thank you" in response. All that went out the window the minute I saw the cover for "Where Willy Went". I stared. Then I screwed up my eyes and tried as hard as I possibly could to make sense of the image. A pollywog in goggles? A flagellum in some kind of a race? My eyes trailed downwards to the byline, "The big story of a little sperm" and I let out a truly unladylike guffaw right there in the middle of the bookstore. Oh, that is rich, I thought. That is an example of a book that just does not care if ban-crazy parents like it or hate it. It's doing its own thing and devil take the hindmost. You have to respect its plucky can-do attitude. Whether you appreciate its writing is another story. "Willy was a little sperm". If you can get past that sentence

then you're doing well. Living contentedly in Mr. Browne, Willy was an excellent swimmer. Alongside every other sperm he longed to win The Great Swimming Race. He practiced constantly in the hope of beating the 300 million competitors. When the Race begins (off-screen and tastefully) Willy wins hands-down and burrows into the egg. The egg becomes a babe, the babe is born and named Edna (it's anyone's guess as to why), and, like Willy, Edna has no head for numbers, "but she was VERY good at swimming". One prays that kids will not then immediately believe that she too will be practicing for a similar Great Swimming Race anytime soon. What it all boils down to is what you want out of your "how are babies born" picture books.
