## Customer Reviews

A keeper! Many cookbooks have recipes that I found don't really "work." Of course, one needs to make each recipe their own through a little experimentation. This cookbook is right near my tastes so I am finding my tastes are achieved after the first try which is really good.

The book arrived sooner than I expected. I have not tried any of the recipes yet. It definitely has a lot

of my favorite dishes. I have watched quite a few of "the Dumpling Sisters" youtube shows and have enjoyed watching and learning some Chinese dishes.

it taste better than just looked. I love this cook book.
