Customer Reviews

Wonderful tool to assist in pricing Howard Pierce porcelain. However, it's important to keep in mind the age of this particular book. It's a great guideline and starting point. Not all pieces are listed.

This encyclopedia created an incitefull look at a great mans work and an intersting look at his life. Great photography.

This book was a wonderful look at Mr. Pierce's personal background and his pottery

wonderful insight into his personal life and his potter

very informative
