This is a wonderful guide for Boyd Plush collectors. This book has pictures of all plush. Also gives original prices as well as current values. There is a place to record the value of your collection for each of the pages towards the back of the guide. Highly recommend!

Wonderful paperback for Boyd Plush collectors. This book has great pictures, and identification details of all Boyd Plush. Best info for insurance purposes with original prices as well as current values. Super tool to update a database of your collection. Love it!

This price guide provides very useful information. The illustrations are very good, and I have found it to be a good tool for setting a value to my collection.

Very helpful for identifying bears without tags. And I enjoyed the pictures.
