Mountain Man Skills: Hunting, Trapping, Woodwork, And More
Crafts and skills of the mountain man is a fascinating, practical guide to the skills that have made the mountain men famous worldwide as outdoorsmen and craftsmen. Readers can replicate outdoor living by trying a hand at making rafts and canoes, constructing tools, and living off the land. Learn key skills like: building a strong fire. Learning to hunt and butcher your meals. Creating a safe and solid shelter. And much more! Whether you're an avid outdoorsman or a novice Hiker, crafts and skills of the mountain man is your handbook to not only surviving outdoors, but flourishing. The style of the mountain man is unique and popular, especially among young people, historians, and those with a special interest in living off the land. The mountain man has been successful outdoors for ages, and now you can too with the skills, tips, and tricks included in this handy manual.

Wasn't really what I was expecting. Seems more like a history book than a survival guide

Very accurate for a book about American history written by the Chinese.

OK book
