Product Dimensions: 9.9 x 0.2 x 9 inches

Shipping Weight: 8 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #4,860,837 in Books (See Top 100 in Books) #70 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Flower Arranging & Crafts > Potpourri](#) #98421 in [Books > Deals in Books](#)

Customer Reviews

Straight-forward. This author doesn't spend too many words to get to the point, which I like. It gives you basic instructions and ingredient proportions for any potpourri you'd like to make using any materials, by both methods: dry and moist potpourris. In addition, it includes several potpourri recipes, which you can follow or alter, just like cooking recipes. The last section includes several projects, which, although not real fancy-looking, are very good as basic ideas from where you can take-off. I like this book because, as compared to others, it makes this potpourri-making science/art un-complicated.
