Customer Reviews
When I was younger my mom had purchased me an idea book for Lego constructions. I remember spending precious time going through this book and building the ideas in it. Nowadays, Lego has become a huge part of my kids' lives and I have given them my precious Idea Book from when I was younger - Yes I still had it after so many years... Last year, I had the opportunity to review the
Lego Book which has been extremely adopted in our home. This time around, DK Canada has published another fabulous book titled Lego Play Book. When I saw this announced, I know it was a title that would be well received by my avid construction fans. The book contains numerous ideas for Lego fans - young and old - to develop new skills. There are five sections in this book that contains ideas based on a specific theme:

- Once Upon a Time - Jack’s Journey, Fairy Tale Cottage, Enchanted Forest, Forest Flora, Fairy Tale Creatures, Quests, Troll Bridge, Castle Siege, Giants, Giant’s Kitchen, Fairy Tales Characters, Undersea Characters, Dragon, Fairy Tale Castle, Meet The King, Castle Comforts, Castle Stables, Castle Entertainment, Castle Ballroom.
- Go Wild - Nature Trail, On Safari, Safari Giants, Safari Truck, Barnyard Beasts, Farm Fowl, Alphabets, Creeping Critters, At the Zoo, Made-Up Creatures, Tropical Fish, Marine Life, At the Poles, Artic Animals.
