Trying to take a day off and bask at the beach just doesn't work for Nate the Great. As a detective, his detecting services are always on call. This time Oliver, Nate's next door neighbor and the world's greatest pest, has come up with a new mystery. Oliver has lost his beach bag. The beach bag contains Oliver's clothes and shoes, which Oliver will need. Nate signs on for the case at once, and the search begins-with Oliver following closely after, of course. During the course of his

investigation, he runs across the usual suspects: Annie and her dog, Fang, and Rosamond, who is running a seaside restaurant. Marjorie Weinman Sharmat is the author of over twenty Nate the Great adventures, including NATE THE GREAT STALKS STUPIDWEED, NATE THE GREAT AND THE BORING BEACH BAG, NATE THE GREAT AND THE HALLOWEEN HUNT, and NATE THE GREAT AND THE MUSHY VALENTINE. She has written dozens of books for young readers. She named Nate the Great after her father. Her books have been named as Children's Choice books and Junior Literary Guild selections, and been picked as Books of the Year by the Library of Congress. NATE THE GREAT AND THE BORING BEACH BAG offers more than the usual high standard of entertainment readers have come to expect from Marjorie Weinman Sharmat. Filled with the wit and humor of any other Nate the Great book, this particular entry also involves rudimentary mapping skills and an introduction to logical thinking. Also, long-time fans will really get the humor in Rosamond's Restaurant, where the sandwiches actually come packed with sand! The first-person voice of Nate the Great is an absolute delight to read on its own, but even better to share with a young reader just beginning to discover the worlds and adventures that lie between the covers of a book.
