The Big Book Of Hacks For Minecrafters: The Biggest Unofficial Guide To Tips And Tricks That Other Guides Won’t Teach You
With more than 100 million registered Minecraft accounts and rights picked up by Warner Brothers for a "The Lego Movie" style, action-adventure film, Minecraft is on its way to becoming the next big children's brand. While there are several successful game guides on the market already, this book will be the first unofficial "hacker's" super-guide dedicated to fighting mobs, building, and much more that is especially geared toward seven- to twelve-year-old Minecrafters. With The Big Book of Hacks for Minecrafters, kids will learn how to build awesome structures, defense strategies for fending off hostile mobs, and great tips on mining, farming, and more! Other tips will help gamers: know which animals to domesticate and how to do it properly use potions and enchantments build and customize a survival home select appropriate weaponry and much more! Packed with expert tips, cheats, and hacks on building, fighting, farming, enchanting, mining, and more, The Big Book of Hacks for Minecrafters shows exactly how the experts bring their amazing structures to life (like a Japanese pagoda or underwater dome) and fight every single type of mob (from Blazes to Zombie Pigmen and everything in between). Illustrated guides will let every kid follow along with each tip step-by-step to master the Minecrafting world.

There is so much good stuff in this book. My 9 year old daughter loves it and is planning on building
her underwater house and other cool ideas in this book. She had checked out the original version at the library and this one is definitely worth the investment.

All known to most kids who are really into MineCraft... :(

This book helped me in Minecraft a lot.

great, my son loved it!
