Customer Reviews

Most of this is worth 5 stars for the gorgeous dress illustrations. But the face looks absolutely nothing like Michelle, face shape is way off. We are artists & my husband an illustrator; we are disappointed & be may redraw.

Your product was everything you advertise. I will be re-ordering products of this kind again. I have a President Obama Collection and your items will go very well with my collection. Thank you again, a well satisfied customer.

My little 4.5 year old loves Michelle Obama (we all do). I recently went on a trip to DC and she asked for "a picture of Michelle Obama in a beautiful dress". I ordered this book for her and was so

bumped to find that the pieces are not perforated. Seriously, ain't nobody got time for that. Took me 10 minutes to cut out the doll (which really doesn't look like the first lady) and one dress.

If you love Michelle Obama, fashion, trends, etc. then get this paper doll book. The clothes inside are wonderfully rendered. I do hope that the author will make another book about her second term. The Michelle doll could look a little more like her and represent her darker shade of skin, but the overall look of the book is worth making it a collectible.
