The Official Guide To Informix?/Red Brick? Data Warehousing (Bible (Wiley))

Synopsis

The Official Guide to Informix/Red Brick Data Warehousing is a comprehensive tutorial and reference to Informix Red Brick Data Warehouses, perfect for Red Brick consultants, customers and those evaluating Red Brick's software for adoption. The book covers key Red Brick features necessary for building a data warehouse through its complete lifecycle, beginning with planning the project, modeling the database, building and loading the database, and maintaining the data warehouse in the future. A case study is used that you will build upon with each major area to create a sample data warehouse. Sample forms and documents are provided on the CD-ROM.

Customer Reviews

This book was a good orientation to Redbrick. I do not consider it a reference book, and can only recommend it to people just wanting to get acquainted with Redbrick.
