Customer Reviews

I love this cookbook! It contains a large variety of recipes. There are also several different recipes for different cooking methods (slow cooker, oven, etc.). I have tried several of the recipes so far with success. The meals that I made were delicious. The best part is that all the recipes in this book are extremely simple and quick to make. It saves me a lot of time on busy days.

This book is full of recipe that is healthy and very tasty. This book give me an idea on what are those slow cooking healthy food are all about. The author also gives you some recipes for the best in slow cooked meals. This book leaves so much open for adding and making the meals your own so you eventually won't even need the book. The best part is that it is easy to add your own favorite ingredients to these recipes. It has a quick and easy dump slow cooker recipes, these recipes are amazing they are fast, easy, and are saving me a lot of time at night. The recipes are healthy, and that is very important to us, and to prepare it I don't have to be half a day in the kitchen. I highly recommend it.

I love to cook, and I love eating home cooked meals, but because of my work, I can just eat some fresh fruits and vegetables, and I can only cook on weekends. So I was looking for a cookbook, about soup that are easy to prepare, and this book came across my search. I am glad that I downloaded this book, because after reading it, I found some really delicious slow cooker meals that I know me and my family will love. There are also slow cooker with easy to cook vegetables and I love that since I want to become a vegetarian. Great cookbook for me.

Dump Slow cooking may seem like an irony in today's fast moving world, but it is actually a mechanism to make everything come together. With the burden of coming back from a long day at work removed, you can spend the little time you have with your family, friends, or any of your hobbies. That is not the only benefit slow cooking can offer you, but there are much more discussed in this book. The author also gives you some recipes for the best in slow cooked meals. I found that this book is very useful.

I picked up this book because attracted me the title: "For busy people". I really do not have time to spend hours and hours in the kitchen. My husband bought me a slow cooker and is now preparing meals much easier. In this book, I found a very good recipes that are easy to prepare, and for me, this book is excellent. The recipes are healthy, and that is very important to us, and to prepare it I don't have to be half a day in the kitchen. Perfect!

Great ideas, Loved the ideas. The best part is that it is easy to add your own favorite ingredients to these recipes. It has a quick and easy dump slow cooker recipes, these recipes are amazing they are fast, easy, and are saving me a lot of time at night. I'd never heard of dump slow cooker before, I love these simple, easy dump slow cooker recipes that I can do with minimal effort, and when I come home, dinner is already ready. Thanks to the author.

Dump Slow Cooker was made to make life much easier. The long tedious hours in the kitchen was no longer needed because you can cook just about anything with the slow cooker. Just add the ingredients to the cooker, leave it for hours and spend that time doing something you wanted to get done. I love the recipes especially Spices Chickpea & Res Potatoes as well as Polenta & Beans.

The book offer some wonderful recipes which I can hardly wait to attempt it all alone. This book is an awesome one! I was so much wonderment while perusing this book realizing that notwithstanding of my chaotic timetable, I can now cook and set up the whole feast for the month and putting away it in the cooler and utilizing a slow cooker to warmth it up. Recommended to all.
