Text Messages: A Comprehensive Text Message Dictionary

Synopsis

Are you having trouble understanding all the abbreviations these days when it comes to texting? Do your children send you messages that you need a dictionary to help you figure out? Text messages have progressed extremely far. It is almost like a brand new language, so there is no shame not understanding a lot of those acronyms and abbreviations. The good news for you is, I am just young enough to understand everything, and just old enough to convey it all in a fantastic book for you all to read and keep. I know it can be a struggle, and kind of annoying having to constantly ask what a certain word means. What you'll learn inside:- Why texting has become so difficult- Different acronyms and their meanings- Different abbreviations and their meanings- A great pocket resource that can help you understand even the most coded text message- And much, MUCH more! So what are you waiting for? Scroll up and BUY NOW!

Customer Reviews

Very little information. I was looking for a dictionary - this only had a few words. Look elsewhere to understand what a text message says.

This was a waste of time. I did not really learn anything new. Skip this and make up your own words.

Well done.
