Adobe InDesign CC Learn By Video (2015 Release)
This critically-acclaimed interactive training program from Adobe Press offers exceptional quality high-definition video to teach the fundamentals of Adobe InDesign CC. Including more than 9 hours of video tutorials, the course comes complete with lesson files, assessment quizzes, and review materials. Experienced instructor Chad Chelius presents a comprehensive introduction to InDesign, including best practices as well as fundamental layout and document styling concepts. Topics covered include working with text, graphics, and objects. Chad explores InDesign in a real-world layout workflow that includes assembling books, creating alternate layouts, preflighting files, creating final output as PDFs or ePubs, and much more. The video is wrapped in a unique interface that allows you to jump to any topic and also bookmark individual sections for later review. The unique “Watch and Work” mode shrinks the video into a small window to allow you to work alongside in Adobe InDesign as you view the video. Project files used in the lessons are included on the disc so you can practice what you’ve learned. At the end of every lesson, you can test your knowledge by taking interactive quizzes. Duration: Over 9 hours  User Level: Beginning/Intermediate  System Requirements: Mac OS X 10.6, Microsoft Windows XP, or higher 2 GHz processor or higher 4 GB RAM or higher 1 GB free HD space (does not include lesson files)  Please Note: This DVD-ROM can be viewed only on your computer. It will not play in a DVD-Video player software or a DVD set-top player.

Customer Reviews

Great training aid! Only one complaint. The narrator can't seem to stop saying "go ahead and..." at the beginning of practically every procedure. It becomes very annoying after several chapters. Other than that, I learned enough about the product in a few evenings, to put together a passable document. I was in a hurry, on a tight deadline, and knew absolutely NOTHING about InDesign before I started. I highly recommend this video.
