Customer Reviews

I liked the book because I can remember the first valentine that I received from a girl. I was happy like Arthur was, but didn’t want everyone to know about it. In the story, Arthur gets a valentine from his secret admirer. He didn’t know yet who it exactly was. He gets another one from the same person. The second one says for him to meet her at the movies. If you read this story, you will find out who sent him the valentine.

In the story, Arthur gets a valentine but he doesn’t know who it’s from. It says it’s from a secret admirer and then the next day he gets a second valentine card. It’s really quite heart-warming and cute as you read this with your kids because it makes you think back to your first
crush and your first date. It’s also cute to read as your children try to figure out who really gave
Arthur the note. At the end of the book Arthur ends up going to the movies to meet the mystery
person and you find out who is really behind the letters. Cute overall, great illustrations and a nice
heart-warming story to read with your children.

This is NOT Arthur’s Valentine by Marc Brown. It’s a very poorly done imitation, possibly a copyright
violation. The characters look nothing like the real thing. It's awful. I'd demand my money back if it
wasn’t only a dollar. This is a case where you don’t *even* get what you pay for. The story was okay,
I guess, but it didn’t read like an Arthur story -- maybe because every time I got to a character’s
name, my kid said "That’s not what _____ looks like!"

When people tease you about things, it is best to ignore them and keep focused on your goal. I
enjoyed this book very much.

Do you know Arthur? Well there is a book called Arthur’s Valentine by Marc Brown. Arthur is having a Valentine party at his school and he has a secret admirer. Read the book to find out who Arthur’s secret admirer is. I like this book because the illustrator has good pictures. Read the book to find out who his secret admirer is. I think you will like this book from age 6 and up.

It was a valentine day and they were sending letters to each other. One day mostly everyone was
making fun of arthur because they thought that sue ellen was his secrect admire and thought that
sue ellen like him and were singig arthur and his girl friend sitting in a tree kissing first comes love
them comes marriage with a baby carriage. Then days passed and and he started to realized that it
was not sue ellen it was another student. After that day this ticket arrived in the malebox and said
row 3 seat A me the same row 3 but seat B and he was a lot confuse and something was earased
in this peace of paper. I think you should read this book because let me tell you two things why he
never knew who was his secret admire after a while later. Also because when he entered he sat
down with his secrect admire it was not sue ellen it was this girl name francine so then arthur was
like close you eyes i want to give a kiss and she was like really!!!!! andthen he left to his house and
left her a heart with kisses inside of them. READ THIS BOOK AND TOU WILL LOVE EVERY
SINGLE LITTLE DETAIL NOW READ HAVE FUN!!!!.

This Arthur book has less text and a simpler story than some of the others we have read, such as
"Arthur's Thanksgiving". As is suggested by the "card catalog" review, confusion abounds when Arthur receives mystery valentines. In the process of guessing wrong, and having his valentines blown all over the school yard, Arthur is teased for having a girl friend. Unlike other Arthur books there is no strong moral behind the story, and the characters aren't shown that teasing is wrong. Instead Arthur finds out who his mystery admirer is when he receives a movie ticket. The book ends sweetly (I guess?!) when Arthur goes to the theater, finds out who his admirer is, and leaves after promising a kiss. [He delivers multiple kisses in the form of Hersey's chocolate kisses and a heart card.]

Three Stars. Cute book. Okay artwork. Okay Read-aloud. Not a great deal of concept here, but we are talking about valentines day.

Apples, bananas, peaches, a pear, With a face like yours, You're lucky I care.
