Fr. James Mallon offers a blueprint for parishes to go beyond maintaining their buildings and meeting the needs of their parishioners. He believes the key to being a Church that is alive and relevant is for parishes to embrace their mission, which is to make disciples. This companion volume provides the tools parishes need to succeed with this mission. This step-by-step guidebook for transforming your parish is packed full of information, ideas and examples, and it's doable. It contains many charts and graphics where you can put pen to paper and work out your own goals and vision. With energy, encouragement, humor and deeply rooted faith, Fr. Mallon leads parish ministry leaders through the steps they need to take to effectively bring people to Jesus and his Church.

Take your time and work through this with your leadership team. The temptation is to start making plans before the vision and the help is in place. Pastors especially need to use this book as a means to ask for help. This guide is a great follow up for those truly serious about a divine renovation in their parish.

This is a tremendously useful guide for implementing the concepts in Divine Renovation. It includes step by step directions for discerning goals as well as worksheets to walk you through it. Just like Divine Renovation, it is supportive and encouraging.
I like the book a lot because it is both practical and helpful.
