Cute postcard. I am using them for a secular purpose and didn't realize there is scripture on the back. Can't find it in the description or photos anywhere. They can be altered for my purpose, but would've chosen something different if I would've known.

I did have to cover the scripture in the upper left-hand corner (with a return address label) for my purposes. Other than that, the post cards were just what I was looking for to send to class members who have not been coming.

Cards were cute and arrived right on time. Already started to use them and they are a big help in getting kids back into Sunday school :)

Love this brand of sunday school postcards!
