As deacon in my church, I teach teen, and sometimes, adult Sunday School classes. Rose Publishing pamphlets, wall charts, print outs and online services have been an valuable asset among my teaching resources. Their products are solid, faith-based, eye-catching, informative, and reasonably priced.

These booklets from Rose Publishing are the best you can buy. Love that they are laminated so they are in great shape no matter where I take them. Best teaching tool I have found. Can't say enough about the. Great for the price. Perfect to carry in your Bible as well.

Our little church decided to start Bible studies and our minister had one of these he had picked up at a local bookstore. It was a little pricey for our venture, so I checked on here to see if I could get a better deal. I most certainly found an affordable option and purchased all that we needed! I guarantee some wonderful people are going to put them to good use!

This pamphlet basically written as a synopsis of each book in the Bible is such a wonderful Bible study tool; it's like having Bible Cliff Notes for the Old and New Testament. Beautifully laid out. Not too much, Not too little. Just the right highlights. Bible Teachers (Bible Colleges; Seminaries) should have plenty on hand for their students.

I bought 2 of these and posted them along the wall above my daughters desk for reference. Informative and colorful.

Exactly what I hoped it would be with my purchase! Excellent quick review of various Bible guidelines for you, your family & Church!

This is a well kept book with several vital information which enlightens me on my education. thank you for your assistance!
