Customer Reviews
Our family loves cats, and our family loves Mad Libs, so it should be a given that "Meow Libs" would be a hit. Sadly, this fill-in-the-blank activity has been a big disappointment. The stories aren't funny and don't flow very well. This is not up to the usual Mad Libs standards. Very bummed.

My granddaughter and I were playing it this morning. She and I laughed and enjoyed it very much. It is still as funny as I remember it as a kid.

Not as funny as I thought it would be

These Mad Libs are absolutely adorable! Lots of fun for all ages! I do test these products out myself and give a very honest review. I am one that reads the reviews carefully when making purchases so I appreciate those who take the time to post reviews! If my review has been helpful to you, please give me a "Yes" vote on my review!
My 10 year old loved it

Always enjoyed Mad Libs. This cat version was pretty good. Played it over the Holidays and had a great time. Still laughing about some of the sentences we made.

I sent these to my 10-year-old at sleepaway camp and they had so much fun with them. Definitely recommend! This is going on my gift-bag list for friends

Daughter loved this. Provided hours of family fun. They don’t even realize they are practicing sentence structure and practicing literary skills.
