My wife and I work at a Christian orphanage and have found this resource invaluable. I can say something 100 times, but with this reference I can quickly and easily backup my rules / discipline with the word of God. We have found it to be very useful. We have used this reference to guide our conversations after something bad has happened as well as giving lists of scripture for the kids to work through on their own. Not only are the scripture references useful, but each topic has a break down of the topic that walks you through it. Here's an example for "Words that Hurt" (one that we unfortunately go through many times). Scripture references and verses follow each bullet: 1. Words used inappropriately can bring hurt, even destruction, into the lives of all involved. 2. Words used inappropriately will damage our daily walk with God. 3. We must choose not to use hurtful words. 4. Damaging words must be replaced with positive, productive words. 5. God is our refuge against hurtful words. 6. What to do when words hurt us. Overall, this book has been extremely useful.
