**Customer Reviews**

This is a very good book. It has complete listings of american toys and pictures. The pictures are b&w and color, but NOT ALL OF THE TOYS are presented in pictures. Each listing have three prices in $, the Complet No Package (CNP), the Mint in Package (MIP), and Mint In Mint Package (MIMP).

Not only were the prices off, but they did not know anything about the toylines. Authors have no idea what year figures were even made. How can they possibly price them?

Excellent quality and very quick delivery
